Dual Sided Lightweight Headset

Lightweight behind-the-neck double-ear communications headset. The headband is constructed from PBT a polymer, has excellent durability while the behind-the-neck design and on-ear pads remain comfortable for hours even when wearing a safety helmet. The flexible gooseneck lets you position the mic for clear vocal pickup. The single-sided cable resists tangles.

- Slim Behind-the-Neck Band
- On-Ear Design, Durable
- PBT Construction
- Flexible Mic Gooseneck
