- Includes 4 pairs (XS,S,M,L) of heat-activated ISOtunes TRILOGY foam earplugs for optimal sound

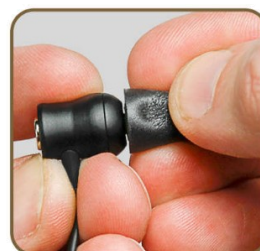

### Overview

Superior comfort.  
Superior attenuation.  
Superior sound.

### Step 1

Twist clockwise to place on a new foam eartip and counter clockwise to remove.

### Step 2

Carefully compress the foam eartip on the stem/sound port.

### Step 3

Insert foam eartip into ear as deeply as is comfortable. Hold for 5 seconds while foam expands.

**Certified Hearing Protector**
